

# Kennel Care Attendant

This position is responsible for the daily care of our animals and cleanliness of the buildings and facility. As an animal care attendant your days will be filled with being a hands on care giver for the animals housed as the Humane Society of Cambria County. Responsible for daily cleaning and sanitation of animal housing areas of the shelter facilities, as well as monitoring the overall physical and mental well-being of shelter animals. This position helps ensure that all of the kennel areas are clean, sanitary, safe and maintained. This position's number one task is to complete the daily care of all animals in our care, and that animal health and well being is the number one priority.

## **Preferred Qualifications:**

High school diploma, 1-3 years animal handling experience.

## **Required Skills:**

Able to stand/walk for 8 hours, bend down and stay in crouched position for extended time, climb a step ladder, lift and carry 50 lbs, work in high stress environments, work in loud areas for extended periods, withstand strong odors.

Part time and full time positions available
